Henry's Friends

TOP SECRET HENRY'S FRIENDS MISSION **CLASSIFIED**

Your mission, should you chose to accept, is to design a new logo for Henry's Friends.

Our logo is very old and needs updating. We think this is a task that only the pupils of Henry Chichele Primary School can complete.

Your logo can be any design you would like. It can be any colour, drawn, painted or even designed on a computer! The decision is yours!

The winning design will receive a £10 Amazon gift voucher.

All entries need to be emailed to: ptfa@henrychichele.northants.sch.uk. Please include your first name, initial of your surname and class on your entry.

These can be sent as a photo, scan or a saved file.

Closing date is Friday 23rd October 2020.

Did you know that what your children do after school can affect how they perform at school? Research shows that regular physical activity contributes to better academic results, improves concentration, helps development and helps to protect against negative behaviours such as bullying.

At 360 Play we are passionate about giving children and their families the chance to enjoy active, creative and engaging play. Our modern lives and the current situation means that children don't get the chance to play round friends' houses and relax their brains after a busy day in the classroom, after-school period is often a sedentary time for them.

Our centre provides a safe and Covid secure environment where they can do just that – whatever the weather and even better we have a reduced price for after school all you need to do is book online advance. <https://360play.co.uk/360-play-rushden-lakes/>

Lauren and the Team at 360 Play Rushden Lakes hope to see you soon
