## NSPCC Number Day Fun!

Friday, 7th May was NSPCC number day and it was lovely to see pupils come to school in number themed mufti clothes.

Across the school the children had a great time working with numbers in different ways and some super problem solving, reasoning and team work was observed.

As you are aware, we asked for a silver coin donation for this fundraising event. For that reason, I am incredibly impressed that, as a school, we have raised a staggering £308.94! Well done Henry Chichele!

### Well Done Lois!

I am incredibly excited to tell you that Lois in Year 4 has completed a challenge that she set herself in order to raise money for the repair of the playground at Stanwick Lakes. She completed 100 laps of her garden every day for 10 days and raised a terrific £550.

Fantastic achievement Lois. Well done and thank you!

### We Need Your Action!

We have recently reviewed the permissions we hold on file for the purpose of information sharing and consent for the use of photographs. Please follow [this link](#) to complete an online form to review the consent you give. This will replace any other consent you have previously given.

# Sports Day

We are hoping to run a sports day this year across the school. Plans are underway and we are aiming to run this as close to 'normal' as possible.

However, as yet, we are unsure whether we can invite parents to take part in the event. We need to ensure we are abiding by the most recent Government guidance which has just been updated this week. We will let you know when we have updated our risk assessment.

The event, split across two days, is provisionally planned for the 15th and 16th July.

## Welcome to Staff

I am very pleased to introduce you to Mrs McNally and Mrs Andrew who have recently joined our staff team at Henry Chichele.

Mrs McNally and Mrs Andrew have joined our Inclusion Team to support children right across the school. They are incredibly experienced in supporting a wide range of children in schools as well as in other sectors.

Mrs McNally has worked as a paramedic and Mrs Andrew has worked as a support worker to children who are or have been in social care. Their extensive experience will be invaluable in supporting our children in many areas. They may well be in contact with you if they work with your children so please feel free to ask them any questions, they are very willing to help!

Mrs McNally

## Online Safety Information

We have a new edition newsletter, solely focused on bringing you the latest hints, tips and information about how to keep your child safe online. As you know, this is an ever changing environment and it is so important to keep abreast of the content your children may be exposed to. Please see our monthly online safety newsletters on our [website](#).

In addition, for Year 5 and Year 6 children we have invited Simon Aston, from the Local Authority, to come and lead a session with the children in order to give them the information that they need to keep themselves safe too. This will be held on 17th June 2021.

## Dates for your Diary

### May

15th Planting on the bank

28th School closes for half term

### June

7th Training Day—School closed

8th School re-opens to all pupils

17th Online Safety Session for Y5 and Y6 Pupils with Simon Aston

25th School photos

### July

1st In School Transfer Day

15th Reports to Parents

20th School Closes for Summer
