

### 1. Aims

We are committed to meeting our obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

### 2. Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#) (and [2010](#), [2011](#), [2013](#), [2016](#) amendments)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

### 3. Roles and responsibilities

#### 3.1 The governing board

The governing board is responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the headteacher to account for the implementation of this policy.

#### 3.2 The headteacher

The headteacher is responsible for:

- Implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Issuing fixed-penalty notices, where necessary

#### 3.3 The attendance officer

The school attendance officer:

- Monitors attendance data across the school and at an individual pupil level
- Reports concerns about attendance to the headteacher
- Works with education welfare officers to tackle persistent absence
- Arranges calls and meetings with parents to discuss attendance issues

- Advises the headteacher when to issue fixed-penalty notices

### **3.4 Class teachers/form tutors**

Class teachers are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office.

### **3.5 School admin staff**

School admin staff are expected to take calls from parents about absence and record it on the school system.

## **4. Recording attendance**

### **4.1 Attendance register**

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will keep every entry on the attendance register for 3 years after the date on which the entry was made. Pupils must arrive in school by 8.30 (Year 1 and 2), 8.40am (Year 3 and 4) or 8.50 (Year 5, 6 and Reception) on each school day.

The register for the first session will be taken at these times and will be kept open for 10 minutes. The register for the second session will be taken at 1pm and will be kept open for 5 minutes.

### **4.2 Unplanned absence**

The pupil's parent/carer must notify the school on the first day of an unplanned absence by 8.30am or as soon as practically possible (see also section 7).

Parents should call the office on 01933 352850 and leave a message on the absence line or email into the school office on [office@henrychichele.northants.sch.uk](mailto:office@henrychichele.northants.sch.uk)

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

### **4.3 Planned absence**

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

Parents should complete a leave of absence request form which is available from the office.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

#### 4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Punctuality is monitored on a termly basis and minutes missed are recorded. Parents are notified if punctuality becomes a concern by letter. Should this continue to be an issue, a parent contract will be written.

#### 4.5 Following up absence

Where any child we expect to attend school does not attend, or stops attending, the school will:

- Follow up on their absence with their parent/carer to ascertain the reason, by telephone call to all contacts held on file and by email if necessary.
- Ensure proper safeguarding action is taken where necessary
- Identify whether the absence is approved or not
- Identify the correct attendance code to use

#### 4.6 Reporting to parents

Usually, we report attendance to parents within the annual report to parents in July by providing the report card for the academic year.

The exception to this is where concerns are raised. Then we will be reporting to parents on a more regular basis as we monitor improvement.

### 5. Authorised and unauthorised absence

#### 5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to pupils during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion.

We define 'exceptional circumstances' as being **rare, significant, unavoidable and short. By 'unavoidable, we mean an event that could not reasonably be scheduled at another time.**

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the pupil is attending educational provision

#### 5.2 Reducing persistent absence

We monitor attendance on a termly basis for the whole school. This may be more frequent where concerns have been identified.

Parents will be notified of concerns in a staged approach. Initially, a letter will be sent to parents to inform them that it has been identified that attendance has declined. If no improvement is made by the next term, a second letter is sent. This will progress to a contract meeting being attended if improvement is not seen from this communication.

Please see the document within the appendix to see a flowchart of action taken.

### 5.3 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

### 6. Attendance monitoring

The attendance officer at our school monitors pupil absence on a termly basis.

A pupil's parent/carer is expected to call the school in the morning if their child is going to be absent due to ill health (see section 4.2).

#### ***It is expected that a parent will call each day that the child is ill.***

If a pupil's absence goes below 90%, the school will contact the parent/carer of the pupil to discuss the reasons for this.

If a pupil's absence continues to rise after contacting their parent/carer, we will consider involving an education welfare officer.

The persistent absence threshold is 10%. If a pupil's individual overall absence rate is greater than or equal to 10%, the pupil will be classified as a persistent absentee.

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

We collect and store attendance data to:

- Track the attendance of individual pupils
- Identify whether or not there are particular groups of children whose absences may be a cause for concern
- Monitor and evaluate those children identified as being in need of intervention and support

### 7. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum bi-annually by the headteacher. At every review, the policy will be approved by the full governing board.

### 8. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy

## Appendix 2: Monitoring Attendance Explained

The following chart shows the process we follow when monitoring pupil attendance at Henry Chichele Primary School. The cycle is repeated termly.

**ADDRESS**

Dear

**REQUEST FOR LEAVE OF ABSENCE**

Thank you for your notification of **PUPIL NAME'S** absence from school between **DATE** and **DATE**. I appreciate the time you have taken to inform the school.

As you will be aware, the regulations regarding absence have been tightened in recent years and Headteachers are no longer able to sanction leave except in very exceptional circumstances. Your child's absence will therefore be recorded as unauthorised but if you would like to provide any further information, I will look again at your request, although a change of classification is unlikely.

As part of the change in County's attendance policy, I am required to report term-time holidays. This will involve a referral to the Educational Inclusion Partnership (EIP) which will include passing on personal information that you have already provided to the school, for use only by the EIP and associated County agencies. I am required to inform you of this process but also that the data is not passed on to any commercial company. This notification is a requirement of County policy. The County Council reserve the right to impose a penalty notice, and if they do so the process will be independent of the school; we do not have input into the decision, nor do we benefit financially from it.

Thank you again for contacting us. If you wish to discuss this further or have any questions, please do not hesitate to contact me.

Kind regards

**Head Teacher**

**ADDRESS**

Yours sincerely

**Head Teacher**
