Meet the Teacher

Mrs White

3DW

Welcome and Introduction

- Good afternoon, I am Mrs White and I will be your child's class teacher in September.
- *I have been teaching for 4 years, currently in an outstanding primary school in Milton Keynes.
- *I really enjoy teaching Maths and have a real interest in developing children's understanding using concrete materials.
- *I love to read, with 'The Creakers' being one of my favourite stories to share with my class
- * I have 2 children myself, and understand that it can be a challenge at times to encourage them to read and complete homework so I am here to support and work with you.

Welcome and Introduction

I've asked my class what they would say about me and here are some of their thoughts:

Mrs White is nice.

Mrs White always helps me.

Mrs White is always singing even though she's not very good at it.

Mrs White isn't very good at working the computer.

Mrs White loves hugs.

Mrs White makes me laugh when she forgets the name of things.

Year 3 2022/23

We cover some lovely topics in year 3. In September we will learn about the Rainforest in Geography.

During year 3 we will have an Egyptian day where the children can come dressed up. They will take part in lots of interesting activities

We learn about the Anglo-Saxons and will visit West Stow Anglo Saxon village. It will be my first time there too, I'm very excited!

Things to know for September

- You can arrive between 8.30 and 8.50
- Home time is at 3.10 and the children are to be collected from outside of their classroom.
- Please use the bottom pedestrian gate
- Homework will begin in week 2.
- Homework is set via teams, we ensure that homework is based on what the children have been learning that week and we vary the subjects.
- It is expected that children read every day. Please make sure this is recorded in your child's reading record. There will be times tables rock stars challenges for children to practise each week.
- Spellings will be based on the spelling patterns being taught each term and will be tested on a Friday.
- Remember the slight change with uniform- Children are required to wear a shirt and tie.
- Pencil cases are not required.
- Children do not need a rucksack they can continue to bring in a book bag
