# Meet the Teacher!

Mrs Grove

# Welcome and Introduction

Welcome, I am Mrs Grove and I will be the class teacher of 4JG in September.

Over the course of my 34 years of teaching I have taught children from Year 1 to 'A' level in London and throughout Northamptonshire. The beginning of a new school year always makes me excited because it brings a new group of children to watch blossoming and developing.

I am an avid reader and I have a keen interest in history and geography. In my spare time, apart from reading, I enjoy swimming and travelling to different places around the world.

Previous children I have taught have said that I am strict, but fun! A good listener and very caring.

# Year 4JG 2022/23

Apart from myself, we are lucky to have two other adults in 4JG: Mrs Elder and Mrs Peters.

We are looking forward to writing some fantastic, imaginative stories, ensuring our times tables are secure, investigating scientific problems and extending our knowledge of different countries and historical time periods.

There will also be opportunities to develop our culinary skills, make useful accessories and play some exciting sports.

During the course of the year there will be visitors into school and a residential. We will also be doing a 10-week course of swimming, which will develop everyone's skills regardless of ability. We are also hoping to have some visitors into school to develop our musical skills and ensure we are safe on the internet.

Spelling, reading and handwriting lessons will occur daily.

# Things to know for September

- You can arrive from 8:30, but must be in the classroom by 8:50 for registration.
- We will be using the Top Gate to enter school.
- Homework will begin in week 2
- Reading books will go home daily and will need signing before returning the next day.
- PE days will be Tuesday and Wednesday.
- We will be using reading bags, not rucksacks and no pencil cases are required.
