

Year 3 Curriculum Newsletter

Term 1 2024 - 2025

<p>As writers we will be examining observational and senses poems. We will learn how to use powerful verbs, alliteration and similes.</p> 	<p>As mathematicians we will develop a secure understanding of place value. We will learn how to represent and partition numbers up to 1000 using concrete, pictorial and abstract representations.</p> 	<p>As scientists we will investigate food chains and food webs. We will learn about the different bones in the skeleton and their functions.</p> 
<p>As historians we will learn about the ancient Greeks. We will be understanding the contributions that they have made to modern life. We will make comparisons between life in Athens and Sparta.</p> 	<p>As geographers we will explore the human and physical features of Greece. We will locate Greece on a world map.</p> 	<p>In PSHE we will focus on the different relationships in our lives. We will discuss looking after our special people and find out why friends are special.</p> 
<p>As artists we will explore artwork of ancient Greece. We will learn different techniques to show movement and use clay to create sculptures.</p> 	<p>As musicians we will be learning to identify long and short rhythms and high and low pitch. We will show how these can be represented by musical symbols.</p> 	<p>As athletes we will develop our skills in basketball and tag rugby.</p> 
<p>As technicians we will understand how to be safe online. We will learn how to code, test and debug programs.</p> 	<p>As theologists we will be exploring Hinduism and why Hindus want to collect good karma.</p> 	<p>As linguists we will be learning how to greet other people. We will be learning how to count to 10 and identify different colours.</p> 
<p>Our class read aloud text</p> 	<p>The multiplication and division fact/s we will focus on: 10s and 5s</p>
