Year 6 Curriculum Newsletter
Term 3 2025 - 20265

As writers we will… consider the key features of a suspense text. Learning to build up tension and

manipulate our sentences to make the maximum impact.

As mathematicians we will… be revisiting our previous learning, as well as investigating ratio, algebra and decimals. Weekly

arithmatic papers will also embed our number knowledge.

As scientists we will… be learning about the classification of animals, including humans. We will

carry out an investigation into microbes and mould using bread.

As historians we will… be studying the role and impact of the Maya

civilisation on our lives today. This includes their number system, hierarchy of people and living conditions.

As geographers we will … be learning all about North

America. We will look at physical and human features, as well as the impact of drought and flooding on the continent.

In PSHE we will… be considering our personal safety. We will be discussing

risk taking, decision making and how to make informed and safe decisions.

As artists we will… be learning about American artists. We will be focusing

specifically on Pop Art and creating our own label designs and cartoon images.

As musicians we will… be learning to create a melody using crotchets,

quavers and minims, and perhaps semibreves and semiquavers, plus all equivalent rests.

As athletes we will… be

participating in lessons to develop our skills in fitness and gymnastics.

As technicians we will… be finishing off our blogs from last term and then moving

onto becoming Data Detectives looking at databases.

As theologists we will…

be learning why Jerusalem is a sacred place to people who follow Abrahamic religions.

As linguists we will… be discussing our homes - learning the names for different rooms and objects in French.

Our class read aloud text

'Oranges in No Man's Land' by Elizabeth Laird.
