Year 6 Curriculum Newsletter
Term 4 2025 - 2026

As writers we will… consider the key features of a persuasive text. Learning to devise arguments that will convince the reader.	As mathematicians we will… be revisiting our previous learning, as well as investigating shape, area and perimeter and volume. Weekly arithmatic papers will also embed our number knowledge.	As scientists we will… be learning about the evolution. We will carry out an investigation into how adaptations over time change characteristics and the effect of natural selection.
As historians we will… be exploring the key elements of the British Empire, reasons for the colonisation of Australia, the causes of the Indian Mutiny and the reasons behind the scramble for Africa.	As geographers we will … be learning about South America and particularly Rio de Janeiro. We will investigate physical and human characteristics of the place; the impact wealth has on living conditions and the legacy of the Olympic Games.	In PSHE we will… be considering our rights and how we demonstrate respect. We will discuss jobs and taxes, caring for the environment and how democracy works in Britain.
As artists we will… be investigating Latin America art. This will include Ojo de dios, creating mola and studying the artist, Beatriz Millhazes.	As musicians we will… explore how musical styles connect us. Investigating how different styles of music have developed from different social themes.	As athletes we will… be participating in lessons to develop our skills in badminton and hockey.
As technicians we will… be learning how to make a text adventure game, showing knowledge of reading and understanding of a given code for a text adventure game.	As theologists we will… investigate the Triple Refuge that helps Buddhists journey through their life and the value of refuge.	As linguists we will… be looking at A' L'École. Learning to recognise different school related names and how to conjugate the verb 'to study'. .
Our class read aloud texts 6GA & 6JG will be reading 'Windrush Child' by Benjamin Zephaniah.
