Year 3 Curriculum Newsletter
Term 4 2025 - 2026

As writers we will learn how to write a non-chronological report about a mythical creature. We will use sub headings, technical vocabulary generalisers and connectives.	As mathematicians we will continue to develop our understanding of multiplication and division, This term we will learn how to multiply a two digit number by a one digit number with and without exchanges and divide with remainders.	As scientists we will learn about different forces (pushes and pulls) as well as how magnets work. We will investigate magnetic fields and explore the strength of magnets.
As historians we will explore where the Celts come. We will find out about the features of a Celtic hill fort, homes and daily life. We will learn about Celtic warriors and religious beliefs.	As geographers we will look at the characteristics and differences between settlement types (villages, hamlets, towns and cities). We will look at how settlements have changed over time and different types of communities.	In PSHE we will focus on 'rights and responsibilities'. We will think about people who help to keep us safe and identify the vital role of volunteers. We will find out how we can manage money by saving for things we would like and services that need to be paid for.
As artists we will look at how we can draw the different features of a human face. We will continue to develop the skill of cross hatching when drawing and shading.	As musicians we will be using our imagination to compose music. We will listen to pop, ballads and songs from musicals.	As athletes we will
As technicians we will learn how to use route planners. We will use 2Go code to move a screen turtle.	As theologists will think about why Jesus is special to Christians. We will find out about different parables	As linguists we will be learning the different ice cream flavours. We will learn the transactional language to buy an ice cream.

Our class read aloud text: The lion the witch and the wardrobe and picture books	The multiplication and division fact/s we will focus on: 4s and 8s
