Headteachers update!

It's hard to believe September is already over! The month seems to have flown by, and we're now heading into October with plenty to look forward to. There are some exciting things coming up over the next few weeks, so keep an eye out for what's happening and get involved where you can.

As we approach the time of year when coughs and colds become more common, we would like to share some helpful information with families about reducing the spread of common illnesses. The information below provides simple, practical advice to help families stay healthy and well during the colder months, as well as guidance on "Is my child too ill for school?" This can help to decide when it is appropriate for your child to attend school and when they may need to stay at home.

WOW AWARDS

Each week, we present the children with their Worker Of The Week awards in assembly. These are given out for going above and beyond, outstanding work and effort.

Congratulations to last weeks winners!

We attended the Higham Ferrers Farmers Market on Saturday. It was great to be a part of our local community and meet some prospective parents for our 2027 Intake!

YOUNGMINDS

Hello Yellow

YOUNG MINDS CHARITY

OCTOBER 9TH 2026

Wear yellow and say hello as we celebrate 10 years of standing out, starting conversations and raising funds – so no young person feels alone with their mental health.

There are days when all of us struggle with how we are feeling. Things can get tough, and it can be difficult knowing how to cope. For so many young people, when this happens, they don't always get the help they need, when they need it. They don't know where to turn, who to talk to, or even if anyone else feels the same.

Please donate to wear yellow!

A bucket will be availble at the gate to pop your donations in.
